

The Hobbit - Chapter 17 – The Clouds Burst

- 1 What event occurs which forces the good creatures of Middle earth to band together?
2. In ages past there was an alliance of dwarves, men, and elves when the three races were peaceful neighbors and worked together to create great cities. When did this occur and what did the races create?
3. While the other races, still have a stock in the disposition of the gold, why do the eagles intervene?
